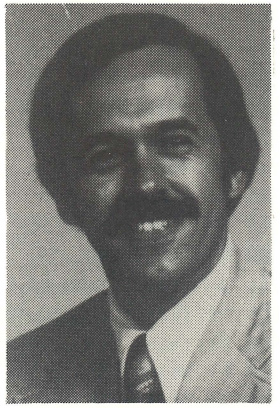
HEAD COACH GLENN EVANS



Glenn Evans, the pioneer of Centenary soccer way back in 1975, posted a composite 21-8 record in four seasons at the helm.

Last year he returned to guide the Cents to a 9-9 mark and a fifth place tie in the tough Trans America Athletic Conference.

Evans, of whom it could be said ''just loves sports'', is also the Superintendent of Athletics for Shreveport Parks and Recreation. He also enjoys promoting Centenary and its programs.

''It's a nice small school (enrollment 1,122) in a big city environment,'' he says. ''You can come here and get individual attention. The classes are small, so everyone has a chance for a good education.''

In his sixth year at Centenary, Evans earned a B.S. in Health and P.E. in 1969. He earned a masters' degree in Education from the University of Georgia in 1970.

A product of Herkimer, N.Y. Senior High, where he played basketball and baseball, he attended Hartwick (N.Y.) College for two years before coming to Shreveport. He coached soccer and basketball for four years at Athens (Ga.) Academy and then coached soccer and baseball at California Baptist (Riverside) one year.

Evans, 39, was listed in the 1976-77 edition of Who's Who in the South and Southwest. Glenn and his wife Karen have three sons -- Chad, 18, Scott, 13, and Trey, 11 months.

ASSISTANT BILL HEMPEN

Serving as head coach Glenn Evans' right-hand man again this season will be volunteer assistant coach **Bill Hempen.**

Hempen, 26, enters his second year on the Centenary coaching staff after spending two years as a graduate assistant at Northeast Louisiana University under head coach Jim Kane.

He was a successful soccer player himself in his playing days leading Meramec Junior College to the National Junior College Soccer championship in 1976, and runner-up spot in 1977.

Afterwards, Hempen went to the University of Evansville on an athletic scholarship where he set career goalie marks for saves and shutouts. His team was ranked as high as 13th in the nation at one time.

Hempen was drafted as a goalie in the American Soccer League by the New Jersey Americans following his final collegiate season. He then went to Northeast where he worked extensively with the goal keepers.

NLU had two winning seasons and was ranked as high as sixth in the NCAA Division I Midwest Region during his stay.

Hempen earned his bachelor's degree in health and physical education from the University of Evansville in 1981. A native of St. Louis, Missouri, Hempen is single.

CENTENARY SOCCER 1984

A YOUTH MOVEMENT

THE OUTLOOK

It's a time of uncertainty for the Centenary College Gents as they prepare for the 1984 soccer season.

Last year's kickers turned in a solid 9-9 overall record against stiff competition and finished fourth in the Trans America Athletic Conference, despite playing short in numbers.

"Fatigue played a key role in several losses last year," Evans emphasized after watching his 1983 team. "Our biggest problem was a lack of bodies. We had no bench strength late in the game, and we took ourselves out of it. We did not have the personnel to keep up."

Indeed, coach Evans has reason to be optimistic towards the 1984 season. With eight lettermen returning, all of them starters, and 13 freshmen recruits, the 1984 season is one to improve on.

This year's team will be stronger offensively and improved at both midfield and backfield positions, resulting in an attacking 4-3-3 alignment, allowing for more offense, upgrading over last year's defensive 4-4-2 alignment.

"We are going to be stronger at all positions this year," assistant coach Bill Hempen stressed about this squad. "The numbers are there. Last year we had to play a 4-4-2 because we did not have enough guys to play forward, and we needed a lot of defense in certain situations."

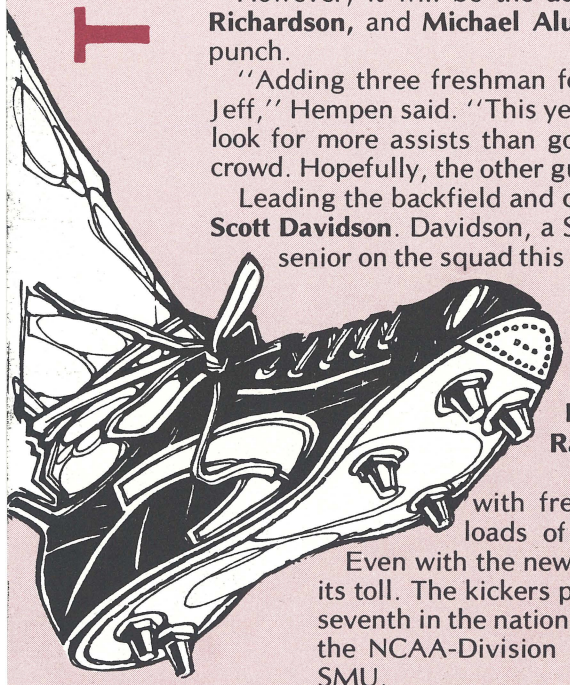
The Gents will have four forwards this year, but if injuries hit the forward position, scoring could become a problem. The Gents have one outstanding striker and three good forwards.

Jeff Foster, the Gents all-time leading scorer is back for his junior season after setting a school record for most goals in a season last year with 38.

However, it will be the addition of three freshmen newcomers, **J. Lomax, John Richardson,** and **Michael Alumbaugh** who will give the Gents their needed scoring punch.

"Adding three freshman forwards to the front line will take a lot of pressure off Jeff," Hempen said. "This year they cannot key on him. He will get some help.You can look for more assists than goals from him this year because Jeff will always draw a crowd. Hopefully, the other guys can put it into the net."

Leading the backfield and quarterbacking the team is three-time all-TAAC selection **Scott Davidson**. Davidson, a South Miami, Fl., native is the team captain and the only senior on the squad this year.



Returning in the backfield with Davidson are juniors **Matt Cardillo, Doug Crone, Jack Conner** and **Keith McPherson**, and sophomores **Robert Miller** and **Steve Sanguinetti.**

Adding depth to the back two lines are freshmen newcomers **Britton Coffman, Steve Faith, Chris Golden, Jeff Patterson, Troy Randolph, Mark Cardillo** and **David Shell.**

Gents coaches also improved the goalie position. This year, with freshman **Damin Hall**, the goalie position will be strong. Hall has loads of international experience and will pick the Gents up when needed.

Even with the new talent combined with the old, the Gents schedule is going to take its toll. The kickers play a strong 20-game schedule meeting Alabama A & M, ranked seventh in the nation in the pre-season polls, and three teams ranked in the top eight in the NCAA-Division I Midwest Region - Northeast Louisiana, Houston Baptist and SMU.
